

Towering Oaks Ranch Resort

Wedding Ceremony Packages

Gazebo Ceremony \$1200

The white wedding gazebo is surrounded by breath taking landscapes to create that perfect backdrop for your special day. Lighted large oak trees with the lake as the background are beautiful and create that serene romantic relaxing atmosphere.

Garden Ceremony \$1000

The fresh air and sunshine make for a great start for your special day. Garden weddings should have a focal point; a large oak tree, an arbor with flowers, or a lake. Whatever you choose, it should be something special for the two of you. Think about what type of aisleway- (rose petals, autumn leaves) and also what ideas for your ceremony define your relationship and include them in the ceremony as well...

Tree line Ceremony \$1000

One of the many reasons to incorporate the symbolism of a tree is the incredible symmetry. The root system of a healthy tree is as large and beautiful as the canopy. As you stand beneath the leafy spread, you stand on ground that is held together by an expansive root system that enriches and supports the earth. There is nothing that a marriage needs more than the same sort of grounding a tree has. We must plant the tree, and our marriages, in soil that will nourish and support it (and you).

Chapel Ceremony \$1500 - You must add this for all Chapel packages.

The La Cantera church can seat 20 or 300 depending on the arrangement of the chairs and drapery. The ceremony can be elegant with wrought iron archway or white arched columns, greenery, floral arrangements, candelabras with a center aisle and center
