CREATE THE PERFECT GIRLS GETAWAY
*The Casual Coast offers close, affordable options
for relaxing, dining, shopping and more.*

It doesn't matter whether you're young or old, rich or poor-girls just wanna have fun. And the best way to do that is by getting together with other girls for a fun, indulgent getaway.

The Casual Coast in Northwest Indiana has the perfect destinations for girlfriends to spoil themselves silly-whether for a full-blown weekend or a simple afternoon out.

Here are a few luxurious reasons to make the easy drive to the Casual Coast:

Have a grown-up slumber party.

Forget foldout couches, sleeping bags and air mattresses-hold a sleepover in style at **Songbird Prairie Bed and Breakfast** in Valparaiso (songbirdprairie.com). You'll soon discover that innkeepers Barbara and Efrain Rivera have created a Shangri-la of little pleasures. Slide into dreamland between silky, imported European bed linens. Or snuggle into the plush robes and slippers in your room and stay up late giggling over a glass of wine.

You may be loath to tear yourself from your room come morning, but just know the royal treatment continues with a sumptuous three-course breakfast. Chef Barbara will treat you to a daily-changing feast of dishes like exquisitely arranged fruit cups, crisp bacon, homemade biscuits, fluffy omelets-even mouthwatering desserts like freshly baked apple pie.

Treat your taste buds (and forget the diet for a while).
