

# Pumpkin Pie

Mix all together in a small bowl

1 1/2 cups of sugar

1 tsp. Salt

2 tsp. Ground Cinnamon

1 tsp Ground ginger

1/2 tsp. Ground cloves

1/1 tsp. Pumpkin pie spices \*\*\* if there is a spice you really don't like leave it out....

In a large bowl beat

4 Eggs

Stir in

1 can (29oz) Libby's 100% pure pumpkin

Stir in sugar-spice mixture into pumpkin and egg mix.

Gradually stir in 1 can Evaporated Milk(12fl.oz.) The original receipt calls for 2 cans of evaporated milk; I thought it was too much, it is your call

Pour into

2 unbaked 9in. (4 cup volume if using 2 cans of evaporated milk) deep-dish pie shells

Bake in pre-heated 450 F. oven for 15 min. Reduce temperature to 350 F. Bake for 20-30 minutes and check to see if knife inserted close to the center comes out clean... Cool on wire rack for 2 hours.

\*\*\* If you used 2 cans of Evaporated milk you may have to bake the pies for 40-50 minutes.
