Driving instructions to 1349 Yellowwood, Sevierville Drive 37876 from Interstate 40

***Do not take a road called Blowing Cave Road you need tire chains in winter, very steep at summit.

***GPS will send you straight instead of turning at Carols Market, this will take you to road needing chains.

***GPS will try to turn you behind white building by Fire Dept warning road is washed out, go straight GPS will reconfigure.
