The Rest of the Story

CAC Workday:

Our CAC workday was amazing. We accomplished so much. Our staff members have spent countless hours here this summer and it really shows. Thanks for your dedication! The place looks great! Shout out to Becky Jones and her husband for the amazing fence in the preschool playground! We are sorry that parents were not able to attend and are looking for a better date for next year.

Open House/Orientation

We had such a great turnout for our Open House. It was so good to see everyone so excited for the new year. We have a huge group of students. The preschool is growing as is K - 12.

KORT:

The first KORT meeting of the year will be held on Thursday, August 29th at 6:00 p.m. We are trying something different. We will have our 4th/5th grade students entertain you with a patriotic program while you eat. We plan to have footlong and regular sized hotdogs, chili, chips, drinks and desserts. Please attend this no pressure meeting so that you may help us make CAC a better place to be!

Lunch:

Lunches that are ordered on Tuesdays, Wednesdays, Thursdays and Fridays are still \$4.00. Fridays is always pizza. Look for your monthly menu.

My School Bucks:

Please get on this program and sign up to be a part of My School Bucks for CAC. We are trying to make the ordering and paying process convenient for our families. You may link to it on our website cacknights.com

CAC Sports:

I want to encourage all that are interested in playing basketball (boys and girls) from 2nd grade up to discuss this with your children. We are trying to come up with a plan this year that suits most of our students. We hope to have a cheer team again this year and that includes girls from Kindergarten - 12th grade.

Stringed Instrument Ensemble:

Mrs. Becky Bull directs this music group and will be performing for our school in order to introduce the students to this music. She will be sending home information about your student possibly joining the group.

We need you:

Please become or stay involved in school activities and make the most of this educational experience for both yourselves and your children.

Ephesians 6:11 – Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.
